Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My compounded medication
alleviated symptoms that were previously
debilitating such as depressing,
sleeplessness, anxiety, & excessive,
continued sweating.

This M.O.U. would definitely
compromise my quality of life
by restricting my ability to obtain
medication my doctor has prescribed
& which I need.

This prescription is not available
through the commercial pharmaceutical
manufacturers or my local pharmacy.

Please fold, seal, and mail by June 1
